

INTERNATIONAL
COMPETITIONS**URBAN MASTER PLAN FOR THE 2016 OLYMPIC PARK IN RIO DE JANEIRO**

The Municipality of Rio de Janeiro in collaboration with the Brazilian Institute of Architects-IAB Rio de Janeiro announce an open, anonymous international competition in a single stage for the urban master plan of the Rio 2016 Olympic Park. In accordance with the UNESCO-UIA Regulations concerning international architecture and town planning competitions this initiative has been approved by the International Union of Architects.

The Rio 2016 Olympic Park will have an area of **1.18 million square meters** and will hold **15 different types of sports** during the Rio 2016 Olympic Games. After the Olympic Games, new real-estate ventures will be built along the permanent sporting equipment and installations forming an area that will be a benchmark in planning and sustainability of the city.

ELIGIBILITY

The competition is open to multidisciplinary teams led by a townplanner-architect with previous experience in developing master plans of a similar complexity. Applications for registration will include **proof of experience in 3 major projects of which 2 master plans of 250 000 m2 minimum.**

REGISTRATION

Registration will be made on-line on the competition web site

<http://concursoparqueolimpicorio2016.iabrij.org.br/>
